

BLW4S
Belleville Bonding Lug Washer

DESCRIPTION

- 5/8" on center belleville bonding lug washer for 1/4" hardware
- Manufactured from high strength, corrosion resistant 300 series stainless steel
- Outside dimensions of 0.5" x 1.125"
- Belleville design provides superior compression
- Torque rating required for full compression = 78.8 inch/lbs
- Eliminates flat and lock washers, reduces installation time

APPLICATIONS

- Used when mounting compression lugs to grounding busbars.
